

NOTICE TO MEMBERS

Dear Members,

Please be informed that the Clubhouse will undergo inspection works and other necessary repairs commencing 1 April 2026.

During this period, access to the Clubhouse will be restricted, with only a designated walkway available for passage. Members are advised that use of the Clubhouse facilities will be limited for safety and operational reasons.

The project is tentatively scheduled to be completed by November 2026. The Committee will provide updates on the progress from time to time.

In the interim, the morning coffee session will be held at the Seafront Café from 7:00 AM to 10:00 AM, effective 1 April 2026.

We apologise for any inconvenience caused and thank you for your understanding.

Thank You.

The Management
